2016 SPONSORSHIP OPPORTUNITY

STEWARDSHIP SUMMIT **BUILDING HEALTHY COMMUNITIES**

Arizona Forward will host its 11th annual **Stewardship Summit** on **May 12, 2016**. This signature event will spotlight innovative ways to create healthy, sustainable communities that foster environmental quality and economic vitality. A diverse cross section of community leaders from throughout Arizona typically attend this dynamic program, which features an exhibit area showcasing statewide sustainability initiatives.

We have invited **U.S. Surgeon General Dr. Vivek Murthy** to deliver the luncheon keynote – America’s top doctor has made walking and walkable communities a cornerstone of his administration in an effort to combat obesity. In addition, **Oklahoma City Mayor Mick Cornett** will present on healthy living infrastructure he created in his community and the citywide weight loss challenge he initiated resulting in a collective loss of 1 million pounds and earning him an invitation to sit with First Lady Michelle Obama at the 2010 State of the Union address.
